## PROJECT EXPERIENCE

---

While Studying in EEE me and my team made some projects for our university IEEE projects, assignments and also for competitions.

**Project name:** Mobile Phone Detector [2016]  
**Advisor:** Mir Muntasir Hossen

- Detects incoming and outgoing calls
- Detects incoming and outgoing messages

**Project name:** Water level indicator [2015]  
**Advisor:** Ashraful Arefin

- Indicates water level rising or decreasing

**Project name:** Self balancing robot [2018]  
**Advisor:** MD. Sharul Islam

- Stands on two wheel without any support
- Can move easily by balancing by its own

## TEACHING EXPERIENCE

---

My teaching experience started when I was in college. At first I started as a home tutor. I've worked as a tutor for part time, with a full course load during every semester and have maintained an average grade in Engineering. I've experience in teaching both Bangla and English medium students.

My teaching experience enriched when I joined with the EEE innovators club where senior students took free classes on Robotics for the fresher's under the supervision of the honorable Lecturers.

## PROFESSIONAL TRAINING

---

**Bangladesh Power Development Board Bangladesh**  
**Ghorashal Training Center, Palash, Narsingdi**  
Description: Industrial Training Course.

**Golden Harvest InfoTech LTD**  
Portuguese Language Course for data entry

## PROFESSIONAL AFFILIATIONS

---

### **Golden Harvest InfoTech LTD**

Online operator

June 2020 - Present

## COMMUNITY SERVICE

---

### **Rohingya Issue**

A voluntary work for the refugees.

### **Iftar for the Unprivileged**

A small initiative to spread happiness almost every year.

## LANGUAGES

---

I have learnt some other languages by my own such as Arabic, Hindi and Portuguese.

**Bangla:** Native Language

**English:** Intermediate Listener, Novice Speaker, Advanced Reading and Writing

## COMPUTER SKILLS

---

While studying in Engineering I had many opportunities to work on some of the programming languages and also some software's to execute lab instructions

**Programming:** programming language C, Machine learning

**Applications:** MS office suite, Adobe software, Wondershare Filmora, Prezi, Matlab, AutoCAD etc.

**Platforms:** Google, Facebook, LinkedIn

## OTHER QUALIFICATIONS

---

My academic experiences, volunteer experiences as well as my experience in the workforce have fostered grades fixer a tremendous personal drive, and have helped me to become an independent, self-sufficient, and hardworking individual. I have worked part-time, with a full course load during every semester, and have maintained a B average. My experiences have taught me a great deal of discipline and time management, which are essential in any job sector.

- Good oral, written & communication skill.
- Ability to work under pressure.
- Easily adapt in new environment and willingness to learn.
- Hardworking, loyal and honest.
- Intermediate presentation skill.
- Target oriented and confident.
