For green Bangladesh attending a tree plantation program.

The slogan is "Green Life, Healthy Life"

26/03/2013 – 27/03/2013

Science Fair at School Level

At my high school attending a science fair at that time, I was in 9th standard.

More than 20 + plus schools attended that fair and my school got 2nd place.

HOBBIES

Book Reading, Playing Cricket, Football, Badminton, Travelling, Watching Movies, Planting Tree, Cycling.

I love to book reading once I was considered as the best reader in my school and also got a book as a prize. I have played lots of cricket because cricket is a very popular game in my country.
